

Take A Survey... You Could Win a Rain Barrel!

Residents are being invited to take a short, 10-question online survey. Entries will be eligible to win a *free* rain barrel. The Scott Clean Water Education Program is encouraging residents to take this Clean Lakes and Rivers survey to help direct future education and outreach programs.

If you provide your name and a contact number (or e-mail) at the end of the survey, you will be entered into the rain barrel drawing, courtesy of the Scott Soil and Water Conservation District in Jordan. Just type this into your browser -- <http://www.surveymonkey.com/s/597ZVM5>. Thanks for your help!
