

Create Beautiful Gardens with Native Plants

... And Keep our Waters Clean!

Join us for a free presentation about Blue Thumb, Planting for Clean Water and see dozens of inspirational and affordable garden designs that integrate native plants and clean our waters. After attending the workshop, you will be able to receive design and installation assistance. Some residents may qualify for a grant to help offset the cost of their Blue Thumb projects.

Blue Thumb Workshops

Tuesday, March 13, 2012

6:15 p.m.

McColl Pond ELC
13550 Dakota Avenue
Savage

OR

Thursday, March 15, 2012

6:15 p.m.

Spring Lake Township Hall
20381 Fairlawn Avenue
Prior Lake

Native plants have long roots that reduce runoff, filter pollutants and provide wildlife habitat for birds, bees and butterflies.
